Hand Sanitizer pump bottles	

CALCULATORS: 6th, 7th & 8th Grade = basic 4-function calculator (add, subtract, multiply and divide). High Schools use Scientific Calculators such as Texas Instruments

Classroom contributions: To reduce out-of-pocket expenses, teachers welcome Gift Cards to Amazon, Michaels, Joann Crafts, Fred Meyer, Target, etc.

## THANKS SO MUCH FOR YOUR GENEROSITY!

School supply costs average about \$35-50/student, so your contributions provide significant savings that allows schools and students to use that money for other necessities.
